My dear Madam:-

With great regret this Society has just learned in an indirect way of the death of Mrs. Isaac F. Wood.

As Mrs. Wood was a Life Member of this Society for many years, we would very much appreciate it if you would let us know the date of her demise.

Very truly yours,

Curator.

Mr Howard Wood
Curator

Dear Sir

My dear sister Mrs G. S. Wood
died the 2nd of January 1916
after an illness of only four
days of pneumonia. I sent
word shortly after her demise
to the Numismatic Society -
thinking it unfair, that so
many expensive books, &
circulars, should still con-
tinue to be sent her. but
they still continued. until

I wrote directly to the
manager.

Accept my thanks
for kind regards - & believe
me yours sincerely
Annie Burne. Smith
